Dear Sponsor

As President of the Portrait and Figure Painters Society of SW Florida, I would like to introduce you to our organization.

We formed the Portrait and Figure Painters Society of SW Florida, Inc. to encourage and promote our artists and students of all ages. We develop instructive programs and activities with exhibits and opportunities for the standard and student artist alike. We procure donated funds for scholarships for students with special artistic talents that may otherwise have no opportunity to develop!

As a non-profit organization we have some of the areas top artists serving on our advisory board. We have monthly 'open art sessions' and demos of art techniques, art talks and provide and workshops with recognized artists as a fraction of the normal cost for our areas/communities.

We ask you to join us with our up coming projects and programs to offer scholarships and/or pertinent means for the deserving students. Help us find and develop those rare talents. The support of local organizations such as yours is vital of our success and is greatly appreciated.

Your financial support will be tax deductible. Contributions will be recognized in area news articles. For additional information please go to my website, <http://nadifineart.com>. Under PFPS News/event for portrait and figure, you will find the latest information and development plans of the Portrait and Figure Painters Society of SW Florida Inc. We are presently constructing a new website for the organization. Persons or Organizations assisting us will be recognized and noted for their support.

You may contact me at any time if you have any questions.

Sincerely

Renate M Reuter
Founder & President
